

International patient room fees

1. If one has not obtained National Health Insurance Card and is not a Taiwan citizen, the patient will be admitted as an international inpatient.
2. Room basic fees (including room fees, physician fees and nursing fees) are calculated from the day of hospitalization. If one is discharged before 12 noon, the day will not be counted; if discharged after 12 noon and before 4pm, the day will be counted as half a day; if discharged after 4 p.m., it will be counted as one-night stay.
3. Room fees:
